

Buyer (6-9 month contract)

Norbar Torque Tools, the world leading torque tool manufacture is looking for an experienced Buyer to support our thriving manufacturing process.

The role involves a mixture of proactive research into new sources of supply to maintain Norbar as a UK manufacturer and reactive work to maintain daily delivery to our customers across the globe.

Ideally you will have engineering understanding that allows you to select appropriate potential suppliers. Preferably CIPS qualified you will know how to evaluate these suppliers and determine the optimum source for both new and existing components and services.

Using your advanced IT skills, you will produce accurate and timely analysis of data and effective communication to suppliers and colleagues alike.

You will work closely with your engineering and planning colleagues to agree contractual requirements including key performance indicators and set appropriate pricing that results in a win-win relationship.

As the job involves some limited UK travel you will have a full UK driving licence.

The salary is £36,793 p.a. Working hours are 7:30-4:30 Monday to Thursday with a 12:00 pm finish on Friday. Alternative shift patterns may be possible for the right candidate.

Norbar also offers a non-guaranteed profit related bonus, a generous contributory pension scheme, free life assurance and an award winning restaurant.

Closing date for applications: 28 October 2021

We reserve the right to interview and appoint before the closing date
