

CNC Machinists (Turning, Milling, Gear Generation)

Norbar Torque Tools Ltd., the world leading torque tool manufacturer is looking to recruit CNC Machinists to support our manufacturing process.

The successful candidates will be required to meet the following criteria:

Key Responsibilities include:

- Setting and operating CNC machine tools to produce small to medium size batches of work in a timely manner.
- Inspecting work to Engineering drawings using various measuring equipment and reporting any quality defects to the Shift Manager/Cell Leader.
- Daily, weekly and monthly maintenance checks on machines, including maintaining good housekeeping standards, 5S requirements and reporting any issues promptly to Shift Manager/Cell Leader.
- Optimising efficiencies through reduced set-up and cycle times.
- De-burring, cleaning, final inspection and completion of all traceability documentation.
- Liaising with Production Engineering, Quality and Shift Manager/Cell Leader in problem solving and determining maximum efficiency.

Essential Qualities include:

- Practical, hands on experience setting and operating multi-spindle, multi-axis CNC machine tools, with a minimum of 3 axis.
- Fanuc or similar controls experience.
- Experience within a low batch component manufacturing industry.
- Previous experience in cycle time reduction and tool management and optimisation.
- Ability to accurately measure and inspect work.
- Ability to read and understand technical drawings with the ability to work with minimal supervision.

Desirable Qualities include:

- Ability to understand CNC programming.
- Apprenticeship gained within a manufacturing environment.
- Lean and continuous improvement skills, including 5S.

In return we can offer a starting hourly rate in the range £16.99 - £18.99 plus relevant shift premium, 33% nights, 25% weekends.

Norbar also offers a non-guaranteed profit related bonus contributory pension scheme, life assurance, an award winning restaurant plus other lifestyle benefits.

Closing date for applications: Friday 22 October 2021

We reserve the right to interview and appoint before the closing date
